CLASSIC ROD LICENSE PLATE APPLICATION NRS 482.3814

A resident of the State of Nevada who owns a passenger car or light commercial vehicle (having a manufacturer's rated carrying capacity of 1 ton or less), manufactured not earlier than 1949, but at least 20 years prior to the date of application, may apply for Classic Rod license plates. Classic Rod license plates are inscribed with the words CLASSIC ROD and four consecutive numbers. The first time fee for a Classic ROD license plate is \$35.00, plus .50 cents per plate Prison Industry Fee. The amount of \$35.00 plus plate fee is in addition to all other registration fees. The renewal fee for a Classic Rod license plate is \$10.00 in addition to all other registration fees.

If your vehicle is currently registered you have the option of maintaining your current vehicle expiration date, or renewing for a full twelve (12) month period. Credit for the unused portion of your current registration will be allowed. You must surrender your current license plates to the Department in order to transfer this credit.

In applicable counties, if the previous evidence of compliance with emission standards was obtained more than 90 days ago, the vehicle must be re-inspected prior to registration.

In accordance with NAC 445B.6125, if a Classic Rod has been certified, upon each annual registration, to have been driven not more than 2,500 miles since the immediately preceding annual registration, the Classic Rod may be certified as exempt from compliance with emission standards. Attach Restored Vehicle Odometer Certification For Emission Exemption (EC-18) to this form.
